AFFAIRS OF THE SRINGERI MUTT.

13) The affairs of the Sringeri Mutt have been under the consideration of Government for some time past. I beg to invite reference to His Highness' gracious orders on my Final Notes dated the 9th November 1933 and the 30th August 1934 regarding certain arrangements for the management of the Mutt affairs.

14) It is now reported that His Holiness the Jagadguru is again indisposed, and he is also stated to be mentally affected. In view of the repeated illness to which His Holiness is unfortunately subject, it is desirable that some action should be taken by Government to protect the interests of the Mutt and ensure the proper management of the Jahgir. The present arrangement of lending an Officer of Government to work under the Mutt is not satisfactory in the new circumstances that have arisen owing to the illness of the Swami and it is necessary that Government should exercise closer control over the affairs of the Mutt. This can be done only if the administration of the Jahgir is taken over under Government management for some period either under Section 25 (3) of the Muzrai Regulation, or under agreement with the Swami. This is not a new proposal, but was considered in 1934. It was, however, held in abeyance in deference to the wishes of the Swami.

15) The immediate measures that are necessary to take over the management would be to transfer the present Agent, Mr. C. Rama Rao, and appoint an experienced Officer - a senior Amildar or Assistant Commissioner, who will be entrusted with the administration of the Jahgir under the direct control of the Deputy Commissioner and the Muzrai Commissioner. Proper arrangements have to be made,

made for the temple services, etc. The Agent and the Deputy Commissioner have to be instructed to consult the Swami on his restoration to health on all important matters.

16) It was considered advisable some time back to give the Junior Swami a change from Sringeri to Mysore, where he can study under better surroundings, such as the Sanskrit College, etc. This has to be taken up now, as during the illness of His Holiness, there is none to look after the training and education of the young Swami.

17) The Dewan has agreed to these proposals and gracious sanction of His Highness is now solicited to them. The Muzrai Commissioner will be requested to send up detailed proposals in the matter as early as possible.

G.O.No.397-99/Muz.118-33-8 dated 18th September 1934 sanctioning arrangements and issuing instructions in regard to the better management of the affairs of the Sri Sringeri Mutt at Sringeri.

ORDER No. 1028-1030/Muz 174-35-2 dated 30.1.1936

Govt have had under consideration for some time the question of making better arrangement for the management of the affairs of the Sri Sringeri Mutt ~~The necessity for some arrangements for the better management of the affairs of the Sri Sringeri Mutt has been felt by Government for some time.~~

In the order read above Government placed at the disposal of the Mutt for this purpose the services of a senior Amildar and issued instructions that the Revenue Commissioner and the Deputy Commissioner, Kadur District, ~~may~~ should generally supervise the affairs from time to time.. It is now reported that His Holiness the Jagadguru, the Senior Swamigalu, is again indisposed, and that he is also somewhat mentally affected. In view of the repeated illness to which His Holiness is unfortunately subject, the present arrangement of lending an officer of Government to work under the Mutt will not be satisfactory

and some further action has become necessary to exercise closer control over the affairs of the Mutt. In these circumstances, Government are pleased to direct that the Sringeri Mutt with all its endowments and properties be taken over under their management under Section 25(3) of the Mysore Religious and Charitable Institutions Regulation VII of 1927 for a period of ~~2~~ two years in the first instance. The present agent Mr. C.Rama Rao will be ~~sent back~~ reverted to the general line and Mr. Y.Srikantayya ✓ Asstt Comr will be appointed as ~~the~~ Officer in charge of the affairs of the Mutt and will be responsible for the proper administration of the Jahgir under the general control of the Deputy Commissioner, Kadur District.

The Muzrai Commissioner is requeste to take necessary action immediately and to submit separate proposals for all subsidiary ~~action~~ steps that may be found necessary for giving effect to this order. He should make proper arrangements for the regular conduct of the usual religious services in the Mutt and the institutions attached thereto.

A report should be made of the state of the health of His Holiness the Swamigalu every fortnight. Action should be taken when His Holiness has recovered

Dear Mr. Anantharaman,

I am desired to invite attention to Government Order No. 1028—30 Mis 174-35-2 dated 30. 1. 1936 directing that the affairs of the Sri Sringeri Mutt be taken under Government management. In this connection Government consider it desirable that the Junior Swami should be given a change to Bangalore where he could pursue his studies in more suitable surrounding as there is none in Sringeri now to supervise his education. It is presumed that there will be no difficulty about accommodation etc., as there is a ~~Branch~~ building Mutt at Bangalore. I am to request you to submit ~~necessary~~ proposals in the matte after consultation with the Swami that it is possible. Yours sincerely,

31/1/36

26 FEB. 1936

With reference to your D.O. letter No. 1096/Muz dated the 13th February 1936 about shifting the Junior Swami of Sri Sringeri Mutt to Bangalore for studies, I write to state that I was not able to consult His Holiness in the matter during my recent visit to Sringeri. I understand that during lucid intervals His Holiness sends for the Junior Swami. If the Junior Swami is brought to Bangalore without consulting His Holiness it may, perhaps upset the Sri Swamigalu. I find from recent reports that there are signs of improvement in the condition of His Holiness. I would therefore suggest that the Junior Swami may continue his studies at Sringeri for some time longer.

Yours very truly,
Sd/- A. V. Ramanathan

Dear Mr. Anantaraman,

I am desired to invite attention to G.O.No. 1028-30 dated 30. 1. 1936. Muzrai 174-35-2 directing that the affairs of the Sringeri Mutt be taken under Government management and to say that as there is no one in Sringeri now to look after the education of the Junior Swamigalu, he should be given a change to Mysore where he could pursue his studies in more suitable surroundings in proximity to the Sanskrit College and to request you to take necessary action in this behalf.

In this connection Govt. Consider it desirable that a Supervisor may be appointed to look after the education of the Jr. Swami at Bangalore.

It is presumed that there will be no difficulty about accomodation for the Swami in the Mutt Lodge at Mysore branch mutt Bangalore
